Would you like to help people while also saving the world? Don't have any degree or special training? Have we got you covered! From Disney and Pixar comes an all new platformer starring Mickey Mouse! Thanks to a series of odd events, Mickey Mouse finds himself in the Twilight Zone, a world of magic and imagination. You'll have to traverse this world, take on incredible foes and help Mickey and his friends save their world! Become a part of the show! This game is being developed with the help of some of the worlds top voice actors. If you ever wanted to play a video game, but you didn't want to, or couldn't play a big budget game, this is the game for you! You can become the best Tarzan you've ever been! In this open-world adventure, you get to swing through lush, ancient jungles, traversing the largest caves in the world, and tackling huge foes, all while you get to tame, ride and take care of dozens of creatures along the way. In this game, you will be meeting Tarzan's greatest challenges and battling against opponents who are a lot stronger than you can possibly imagine. This game is on a grand scale, taking players on an epic journey to transform into Tarzan! Team up with friends and share the fun in three game modes! Let friends compete against each other in challenge and battle matches, become part of the team in online co-op or play by yourself in story mode. Fight against the giant mecha in a war against the Yuuzhan Vong! This is a new RPG by BioWare, where players get to become part of the player-protagonist and join forces with Anakin Skywalker, the hero of the last hope of the Republic in the final battle against the menacing enemy known as the Yuuzhan Vong! With the aid of the Force, Anakin's iconic lightsaber and his skills, players must journey from one corner of the galaxy to another, fighting their way through several of the most treacherous planets in the galaxy. This is the final battle, the ultimate test of Anakin's strength, wisdom and ability. What will Anakin do in this critical juncture? Who
