## About the Game

Now that your Dungeon's been defended, prepare to venture outside into the realms of Etheria in The Quest for the Lost Eternia Shards! Travel across the land of Etheria and visit the Mistymire Forest, desert city of Morrigo, underwater depths of Aquanos, and the heights of Sky City to collect the lost Eternia Shards and uncover their secrets! Along the way you'll find tons of new weapons, new enemies to fight, new bosses, new pets, and more!

This DLC pack will give you access to Part I-IV of the Quest for the Lost Eternia Shards as they are released. Each pack contains 4 new missions, new cinematics, a new enemy, a new boss, a new pet, new items, a new character skin, and more. This bundle also includes early access to Nightmare Mode for all original and upcoming missions, a new difficulty setting yielding incredible rewards and incorporating enemies from the DLC packs.
